PROJECTS

Elmvale Horticultural Club Website

Front-End Developer - Team Project (CodeBrew)| Georgian College

edge-web-green.vercel.app

- Built a responsive, fully functional website using **Next.js**, **TypeScript**, and **JavaScript** as part of a 4-member team project.
- Led front-end development, creating interactive UI components and ensuring cross-device compatibility.
- Integrated **Sanity CMS** to enable a dynamic admin panel for content management by non-technical users.
- Collaborated on **backend logic**, design decisions, and deployment using **Vercel**.
- Delivered a live production site that met all client requirements and demonstrated strong teamwork and full-stack contribution.

EXPERIENCE

KEY HOLDER SUPERVISOR 07/2023 to Current

Rexall Drugstore, Barrie, ON

- Trained and mentored new employees.
- Maintained a clean, organized store environment that was conducive to an enjoyable shopping experience for customers.
- Opened inventory boxes and restocked shelves.
- Implemented loss prevention measures to minimize theft risks while maintaining a welcoming atmosphere for shoppers.
- Implemented daily operating procedures to keep store clean, adequately stocked, and well-organized.
- Evaluated data on stock levels, customer sales and other factors, assessed trends and reported on findings to help senior management make effective operational decisions.
